

Product Name	Reference Picture	Package size and weight	Parameter	Packing method (optional)	Remark
Lithium Electric Storm Machine		N.W : 2.35KG ; G.W : 2.56KG ; Small package size: 485mm*255mm*175mm ;	Voltage : D.C.21V Maximum power : 17.5A Maximum wind speed:43.0m/s Maximum air flow:9m³/min Wind Speed Adjustment: 3 gears Battery : External optional	A single carton is individually packaged, and 6 are packaged in a large box	Configuration: long nozzle * 1 nozzle * 1 short nozzle (round) * 1 short nozzle (Flat-RRB- * 1 manual * 1
Household multifunctional garden shears		N.W : Lawnmower:1kg ; Long pole:0.6kg ; Hedge blade:0.36kg。Small package size Machine only:: 340mm*117mm*145mm ; With long rod head : head:850mm*145mm*15	Voltage : 12V Rotating speed : 18500r/min; Power : 300W Length : 400mm/1300mm Battery : External optional	A single carton color boxes are individually packaged, and 12 sets are packaged in large boxes; A single carton with a long rod head is individually packaged, and 6 are packaged in a large box	All specifications are equipped with: Toolkit*1, Instruction manual*1
Lithium battery brushless lawn mower		N.W : 2.31KG ; Small package size: 1100mm*160mm*150mm ; Large package size: 1120mm*340mm*340mm	Voltage : 18V-21V ; Motor speed : 16800r/min; Blade rotation speed : 8400r/min Power : 600w Product Size : 1150-1400mm Battery : External optional	A single carton is individually packaged, and 4 are packaged in a large box	All specifications are equipped with: 10-inch diamond blade*1, grass rope*1, tool kit*1, instruction manual*1
Lithium battery brush lawn mower		N.W : 2.31KG ; Small package size: 1100mm*160mm*150mm ; Large package size: 1120mm*340mm*340mm	Voltage : 18V-21V ; Motor speed : 16800r/min; Blade rotation speed : 8400r/min Power : 450w Product Size : 1150-1400mm Battery : External optional	A single carton is individually packaged, and 4 are packaged in a large box	
Single-blade brush-free fence trimmer		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 400W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	All specifications are equipped with: Toolkit*1, Instruction manual*1
Double-blade brushless hedge trimmer		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 400W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	
Single-blade brushed hedge trimmer		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 300W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	
Double-blade brushed hedge trimmer		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 300W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	
Aluminum alloy gear box single blade brush-free fence trimmer		N.W : 2.31KG ; G.W : 2.39KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 400W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	All specifications are equipped with: Toolkit*1, Instruction manual*1
Aluminum alloy gearbox double-blade brushless hedge machine (18.8”).”		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 400W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	
Aluminum alloy gear box brush single-knife pruning machine		N.W : 2.31KG ; G.W : 2.39KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 300W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	All specifications are equipped with: Toolkit*1, Instruction manual*1
Aluminum alloy gearbox brush twin-blade pruning machine (18.8 inches		N.W : 2.29KG ; G.W : 2.37KG ; Small package size: 842mm*90mm*185mm ;	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 300W Blade length : 480mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	
Aluminum gear box double-blade brushless pruning machine (28.5 inches)		N.W : 2.80KG ; G.W : 2.90KG ; Small package size: 1145mm*170mm*180mm ; Large package size: 1165mm*360mm*400mm	Voltage : 18V-21V ; Rotating speed : 18500r/min; Power : 500W Blade length : 750mm Cut rate : ≥95% Cutting angle : 45° Battery : External optional Maximum cutting diameter : 15mm	A single color box is individually packaged, and 4 are bundled with packing tapes	All specifications are equipped with: Toolkit*1, Instruction manual*1
8 inch brushless lithium chainsaw		N.W : 2.5KG ; G.W : 3.44KG Small package (carton) size: 625mm*225mm*220mm ; Large package size (inner box cloth bag): 540mm*450mm*380mm	Voltage : 18V-21V ; Cutting diameter : 200mm Power : 800W Rotating speed : 18500r/min; Battery : External optional	A single carton is individually packaged, and 4 are packaged in a large box (inner box cloth bag, outer box carton)	All specifications are equipped with: Toolkit*1, Instruction manual*1
10 inch brushless lithium chainsaw		N.W : 2.57KG ; G.W : 3.51KG ; Small package (carton) size: 625mm*225mm*220mm ; Large package size (inner box cloth bag): 540mm*450mm*380mm	Voltage : 18V-21V ; Cutting diameter : 230mm Power : 800W Rotating speed : 18500r/min; Battery : External optional	A single carton is individually packaged, and 4 are packaged in a large box (inner box cloth bag, outer box carton)	
12 inch brushless lithium chainsaw		N.W : 2.66KG ; G.W : 3.61KG ; Small package (carton) size: 625mm*225mm*220mm ; Large package size (inner box cloth bag): 540mm*450mm*380mm	Voltage : 18V-21V ; Cutting diameter : 255mm Power : 800W Rotating speed : 18500r/min; Battery : External optional	A single carton is individually packaged, and 4 are packaged in a large box (inner box cloth bag, outer box carton)	
12V lithium electric lawn mower		N.W : 1.25KG ; G.W : 1.95KG ; Small package size: 880mm*200mm*90mm ; Large package size: 900mm*420mm*315mm	Voltage : 12V ; Rotating speed:9000r/min; Maximum blade size : 4in Battery : External optional	A single carton is individually packaged, and 6 are packaged in a large box	Configuration: 4 inch alloy saw blade*1, diamond blade*2, plastic knife*5, sleeve*1, instruction manual*1
21V lithium electric lawn mower		N.W : 1.5KG ; G.W : 2.2KG ; Small package size: 880mm*200mm*90mm ; Large package size: 900mm*420mm*315mm	Voltage : 18V-21V ; Rotating speed:9000r/min; Maximum blade size : 6in Battery : External optional	A single carton is individually packaged, and 6 are packaged in a large box	All specifications are equipped with: 6-inch alloy saw blade*1, diamond blade*2, plastic blade*5, socket wrench*1, instruction manual*1
21V lithium electric lawn mower		N.W : 1.35KG ; G.W : 2.05KG ; Small package size: 880mm*200mm*90mm ; Large package size: 900mm*420mm*315mm	Voltage : 18V-21V ; Rotating speed:9000r/min; Maximum blade size : 6in Battery : External optional	A single carton is individually packaged, and 6 are packaged in a large box	
36V lithium battery high voltage car wash gun		To be determined	Voltage : 36V ; Water output : 6.7L/min Water pressure : >=3Mpa Battery : External optional	To be determined	To be determined
