

SELF ADHESIVE PADS

Furniture pads are widely used in the bottom of chairs, tables and sofas to prevent the furniture scratching your floor during the movement. Easy slides allow your furniture to slide effortlessly. They also can be used in household items such as handcrafts, appliances and porcelains to reduce noisy and vibration and even to prevent sliding and collision.

All products can be customized according to your colours, shapes and sizes.

Self-adhesive Felt Pads

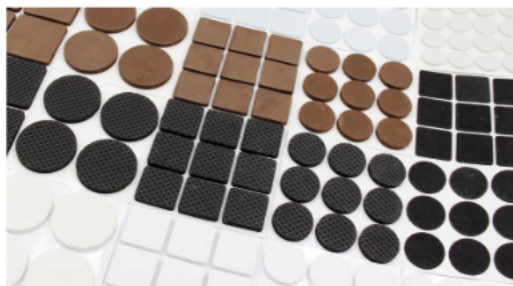

THICKNESS: 1/2/3/4/5/6MM

COLOUR: ☐ WH ☐ BK ☐ GR ☐ DARK BN ☐ BN ☐ CAMEL ☐ BG

SIZE: We can make any sizes.

MATERIAL: FELT

EVA自粘垫 Self-adhesive EVA Pads

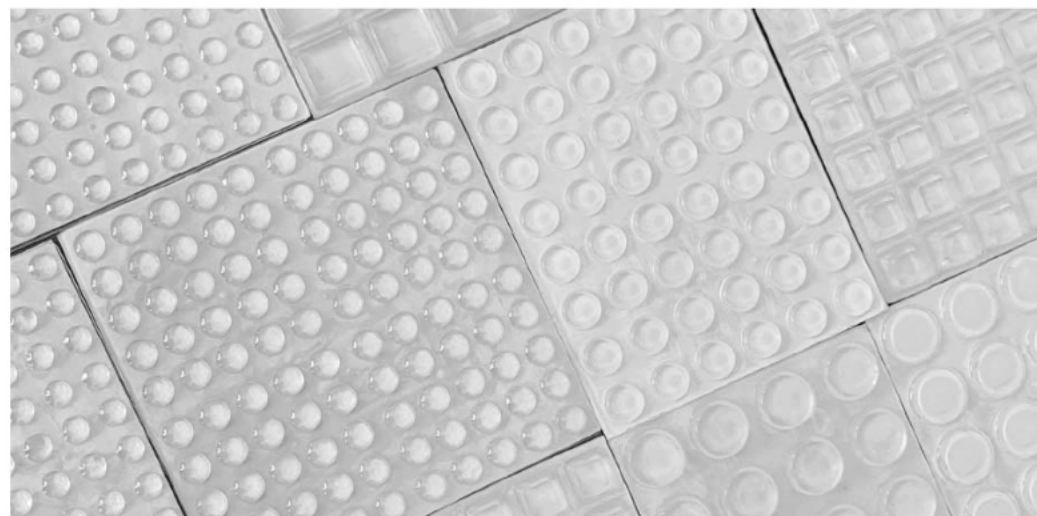

THICKNESS: 1/2/3/4/5/6/7/10/12MM

COLOUR: ☐ WH ☐ BK ☐ BN

SIZE: We can make any sizes.

MATERIAL: EVA
