

CATÁLOGO

MARTILLOS HAMMERS

American/British Type Claw Hammer With TPR Handle

American

British

① Forged High Quality Carbon Steel, Polished surface treatment face, Heat treatment on the percussion surface

② Ergonomic and Thick and Strong TPR Fiberglass handle

③ Polished surface or Spray powder, Epoxy glue with Strong pulling force

American

German Type Machinist Hammer With TPR Handle

1 Forged High Quality Carbon Steel,
 Spray powder treatment face,
 F₀ Heat treatment on the percussion
 surface

2 Ergonomic and Thick and
 Strong TPR Fiberglass handle

3 Polished surface or Spray powder,
 Epoxy glue with Strong fulling force
